

Overeenkomst Syrische overheid en SDF van 18 januari 2026

Announced on Syria TV here: @syr_television

Translated from Arabic

#Breaking | Key Points of the Agreement Between the Syrian Government and SDF:

- Integration of all civilian institutions in Hasakah within the Syrian state

- Handover of all oil fields to the Syrian government

- Integration of all SDF elements into the structure of the Syrian Ministry of Defense on an individual basis following necessary security vetting and ensuring the privacy of Kurdish areas

- Issuance of a presidential decree to appoint a governor in Hasakah

- Withdrawal of heavy weapons from Ain al-Arab (Kobani) and formation of a local security force affiliated with the Ministry of Interior

- Management of ISIS prisoners and family camps by the Syrian government

- Approval of a list of names nominated by SDF for appointment within the Syrian state

- Commitment by SDF to expel Kurdistan Workers' Party elements outside Syria's borders

- Commitment by the Syrian state to combat ISIS

- Efforts to reach understandings for the return of displaced persons to Afrin
